Any such replacement student must meet the same eligibility requirements as the student who is being replaced. For example, if the student being replaced is a graduate student elected by and from the graduate students associated with a specific Faculty, the replacement student will be appointed from the graduate students associated with that Faculty.

8. **Customary Practices:** In making appointments to an *Advisory Committee*, including replacement appointments under Section 7, the President will consider gender balance. The President will normally also consult with representative stakeholder groups and the Chair of the Nominating Committee of the UBC Okanagan Senate or the Chair of the Nominating Committee of the UBC Vancouver Senate, as appropriate.

9. **Procedures Not to Conflict:** Provided that they are not in conflict with this Policy, the Procedures associated with this Policy may be created and amended in the same way as the Procedures associated with any other Policy passed by the Board of Governors.
